Gluteus Maximus... a point of distinction.

Big, small, wide narrow, tight, flabby... well; we won't go there... our "glutes" account for the shape and appearance of what Forest Gump called one's buttocks. We spend a lot of time and money making our rear ends comfy, and looking as good as possible. Believe me... we ladies know what you guys look at when we turn around. And if you guys think we don't check out yours, well you're highly mistaken!

Fact is your butt and where you place it says a lot about you and your stature. Sit in an old rickety chair and no one notices. Park it in a custom embroidered leather seat and you get noticed! In fact, in the west a cowboy's saddle was a symbol of distinction. Many a cowboy didn't own their own horse but if they had their own saddle they could get a job just about anywhere.

Seats and Pillions by Granucci

If you're looking for a distinctive place to sit, then seats by Granucci is where you want to be. While I can't guarantee you a job, I can guarantee you an increase in your stature. These beautifully crafted one of a kind

quality custom styled seats are made of thick, fit-molded plastics and cushioned with custom formed foam for stability, comfort and endurance. The seats are assembled using a weatherproof and wear proof nylon thread to ensure durability against wear, tearing and fading. All metallic details are powder coated with epoxy-powder to protect against corrosion and deterioration. These are the finest examples of Granucci detail, style and quality, and are being offered at **20% OFF MSRP**. [MORE](#) (CTRL + click to follow link)

How To Make Friends

As dusk descends on the days hunt, several groups of hunters have parked their UTVs in a clearing, and are comparing the day's trophies. A cell phone in one of the UTVs rings. A man, obviously annoyed at the intrusion, engages the hands-free speaker-function and begins to talk:

MAN: "Hello"

WOMAN: "Honey, it's me. Are you having fun?"

MAN: "Yes."

WOMAN: I am at the mall and found a beautiful leather coat. It's \$1,000. Can I buy it?"

MAN: "OK, go ahead if you like it that much."

WOMAN: I also stopped by the Mercedes dealership and saw the 2010 models. I saw one I really liked."

MAN: How much?"

WOMAN: \$70,000.

MAN: "For that price I want it with all the options."

WOMAN: "Great! One more thing. ... The house we wanted last year is back on the

MAN: "Well, then go ahead and buy it, but just offer \$620,000."

WOMAN: "OK. I'll see you later! I love you!"

MAN: "Bye, I love you too."

The man hangs up. The other men are looking at him in astonishment.

The man mischievously smiles and asks: "Anyone know who this cell phone belongs to?"
